The General Secretary to the
Government of Mysore,
Bangalore

Sir,

With reference to para 2 of Order No 947-8/4 8rd 8 of the 17th July 1895, I have the honour to enclose herewith lists of applicants for the Engineering and Medical scholarships of 1895. As usual the scholars have been selected by me in consultation with the Chief Engineer and the Senior Surgeon. Remarks have been entered against the names of the selected applicants to show that they have been duly chosen.

The applicants selected for the Engineering scholarships are only two

M Venkata Rao B A

& N Anandalwar B A

None of the other applicants eligible for a scholarship has qualified himself for the B A Degree and the Chief Engineer does not consider it advisable to accept anything below the degree as a qualification of general education.

He also considers that two scholars will be quite as many as it would be possible to provide for in the Mysore service after they pass out from an Engineering College and thinks it doubtful if even two will be able to obtain employment.

3 The applicants selected for the medical scholarships of 1895 are

V. Ramamdanya B A
E H Eames F A
V Krishna Rao F A
